SECRETARY'S REPORT:

It would be remiss of me if I did not thank Donald for the information he has provided in the newsletters. I feel my reports have not been up to par recently due to ill health, however I am getting better as they gave me my licence back and I will be visiting the club more often (Kathy says aw naw).

The golf season is coming to an end except the fall trip to Myrtle Beach so enjoy yourselves men and remember keep them straight and long.

One season ends another begins it is our Domino season, October 16th we are under way however you can still sign up until Oct 8th as the 9th the draw will take place for teams for the year. Last years champions Sammy Robinson and Davy McDowall are still smiling from ear to ear as they won a great play-off game against Jack (Never had a drink) McAllister and his selected partner for the day Rab (Hot lips) Mallen. This is a fun filled Saturday afternoon come and join.

Donald did mention the Christmas party on page two and I would just like to remind you when the forms come out there will be a return date with a deadline on it, please adhere to the deadline as we would hate any child to miss out getting their pressie from Santa.

Members meeting Sept-26th 2.30 pm sharp.

Secretary

CLUB GEAR:

The club has some new gear in at the club for sale. Red and Blue golf shirts, Tee shirts, hats and pins these are great for Christmas presents or for visitors.

You can contact Rusty at the club for any of the club gear.

I hate to think that Christmas and New Year are not that far away but this is to remind you of the children's party and the New Year party.

ANNUAL GOLF TOURNAMENTS:

The clubs annual golf tournament was held at Glen Eagle Golf Course and it was another great success the weather for the day could not have been any better (a good Scottish day overcast, cool and a sprinkle of rain a good day for a trip to Portobello).

The Course was a bit of a challenge for my self but in saying that any golf course where I have to hit a ball in a straight line is a challenge the quicker they come out with a radio control golf ball the better.

CLUB CHAMPIONS.
